NAAN MUDHALVAN SKILL TRAINING FOR III YEAR STUDENTS

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Our College, III Year - Civil Engineering students attended a skill training program at FX Polytechnic College, Tharuvai. They were given training in two sessions, in the morning and afternoon, on the topics of Building Information Modeling. Today(20/09/2023), at our college, the Mechanical and Automobile Department also got this skill training in the morning and afternoon sessions.

GUEST LECTURE - ONLINE

Guest lectures provide students with alternative perspectives and opinions about their respective field of studies. The guest lecturers give students various aspects of a definite topic and they usually clarify students' doubts. In our SCAD Polytechnic College, each department arranges guest lectures and seminars in every academic semester. Today (20/09/2023), the department of EEE conducted a guest lecture. Dr. S. Saravanan, Assistant Professor/EEE, Amrita School of Engineering, Coimbatore, was the resource person. He taught the students on the topic - The Internet of Things(IOT). Students actively participated in the seminar, they raised their doubts and it was clarified by the resource person. Ms. M.S. Priya, Lect/EEE coordinated this event.
