Faculty development programs prepare teachers with the latest teaching methods. They use technology to impart effective education. Faculty members of our college attend FDP to update their knowledge in their particular field and they impart these in their teachings. Today (25/09/2023), an Faculty Development Programme was attended by CSE, ECE and EEE department staff members on the topic, “ Microsoft Digital Skill”.

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Our college was selected as the center for this Naan Mudhalvan Skill Training Program. Today (25/09/2023), Naan Mudhalvan Skill Training was given for III-year ECE Department students on the topic of PCB Design.
