Examination Rules

Internal Assessment Test: Internal Assessment Tests are compulsory. Three internal tests and one model examination is conducted for students studying under the semester system. The duration of each test will be 2Hrs for internal test and 3 hours for model examination. The students will have to be inside the respective exam halls till the end of the examination. The performance of each student in each examination will be intimated to the parents. All students are required to secure a minimum of 60% marks in these examinations to become eligible to appear for the university examinations. Students are free to approach the faculty in the college premises to clarify doubts in the subjects after college working hours.
